

**CANTERBURY SKATE SCHOOL
SPEED SKATING NEWSLETTER
THURSDAY 19th JUNE 2008**

Congratulations to our skate schoolers Alexandra McWhirter and Laura and Sophie Richardson who participated in the competition at Baulkham Hills last weekend.

It was the first experience for most of the skate schoolers to hear the starters gun and being in such a big rink it sounded very loud and to some a bit scary!!

Most racing competitions held by the Association will use a starters gun so to help you become more familiar with this I will arrange for a regular starter Mr Frank Fogarty to take you through the start with the use of the gun.

While it may sound loud and scary I can assure there is no danger and perhaps you may want to use a pair of ear plugs until you become a bit more familiar with this kind of starting.

COMPETITIONS COMING UP --- The next Association competition is on Saturday 28th at 5pm at the Erina Rink. If you are interested in participating the information and entry form is on the IRNSW website www.iceracingnsw.com

OUR next SKATE SCHOOL Competition at will be on **Thursday 10th July** and more information will follow soon.

NEW ARROWS CLUB MEMBERS - We would like to welcome our skate schoolers Dean Balding, Josh Deering and Baillie McWhirter who have become our newest Arrows Club Members . Congrats!!

If **you** are interested in joining our Club and want to participate in more of our Club training and racing just ask for more info from Maggie or Gemma.

Don't forget to check out our website www.sydneyarrows.com

Maggie Holland. Head Coach.
