SPEED SKATING SCHOOL - NEWSLETTER
22ND September 2008

Hello everyone, it has been a while so we have a few items to update for you ----

SCHOOL HOLIDAYS - 2 for 1 tickets

The September school holidays are here again and we are pleased to let you know that you will be able to bring along your friends to a skate school lesson during these 2 weeks.

We have had some success with this venture in the past as some of our regular skaters started off by coming along for just such a session. You never know - your friends may love it just like you!!! See Maggie or Gemma for your tickets.

Don't forget that at any time if you are 14 and under you are able to wear your speed skates or borrow a pair of skates from the skate school cupboard to practice in general sessions at the rink. You will need to let the staff know that you will be using speed skates when you pay your door entry fee.

MAJOR COMPETITIONS FOR CLUB SKATERS -

We have the NSW and National Championships coming up very soon and you may want to come along and cheer for our Arrow club skaters. There will be quite a few younger skaters from NSW, Victoria, Queensland and New Zealand competing this year and these exciting events may encourage you to become more involved next season.

The **NSW CHAMPIONSHIPS** are on Saturday 27th September at Baulkham Hills Rink and the **AUSTRALIAN NATIONAL CHAMPIONSHIPS** are also at Baulkham Hills Rink on Friday 3rd October and Saturday 4th October. For more information on the times and the Program log onto our Club website www.sydneyarrows.com or to www.iceracingnsw.org.au for the Program.

BADGES for SKILL LEVELS:

Our next round of testing for Skill Levels will be in October and I will give you more details in the next few weeks. So try to get in plenty of practice over the holidays.

CHRISTMAS SHOW - December 12, 13, 14

If you are interested in participating in the Christmas Show this year you can find out more details from Maggie. The theme of the show this year is Peter Pan and there will be numbers which you can take part in. Should be fun!!
