Minutes of last Annual General Meeting

Accepted by SOB, seconded JL.

Matters Arising from Minutes of last AGM

The subject of how to keep the Skate Cupboard skates sharpened was discussed. JL suggested that we make one specific day per month for the task and request parents attend and sharpen skates.

There were no other matters arising.

President's Report

Accepted by JT, seconded by KM.

The presidents report covered a wide range of areas.¹

In particular, he thanked the existing committee for their work and the two young trainee coaches, Chloe Tan and Jonathan Lam, for their Saturday morning involvement with speed skating school.

Regarding the glass fronted noticeboard, Beng suggested that we plan for this to be done every three months.

Arrows Targets and Outcomes report

Distributed but not discussed at the meeting due to lack of time. ¹

Treasurer's Financial Report

Report not ready.

Coach's Report

Scott gave a verbal report.

Discussion ensued about the best way to cope with larger numbers of skaters for the 15 minutes transfer from 'other' skate school to speed skate school. The meeting agreed that those 15 minutes were crucial in encouraging skaters to defect to Speed. Therefore, informal racing would take place in those minutes. Experienced skaters are to be encouraged to help new-comers.

Within 3 weeks of this meeting, the committee is to meet to discuss how best to split current Arrows ice time between the current two main groups: new and experienced skaters.
